We will enjoy a delicious meal catered by Shepherd’s Mill Restaurant, served in the Playhouse Dinner Theater while the Bluegrass Band plays. Next is the highlight of the trip, The Outdoor Drama! The Historic Shepherd of the Hills Outdoor Drama is the action-packed live reenactment of the famous historical novel by Christian minister, Harold Bell Wright. Published in 1907, this beautiful story tells of life in the rugged Ozark Mountains of Missouri in the late 1800’s. Over 90 actors and actresses, horses, sheep, mules and donkeys perform on a stage the size of a football field. There’s a shoot-out, the actual burning of a log cabin, a love story, a mystery and a moral message that is as true today as it was over a century ago. **Details: Depart Joplin at 1:00 p.m.; pick up passengers in Carthage at 1:30 p.m. Approximate return time to Joplin is 12:30 a.m.**

PYTHIAN CASTLE
WEDNESDAY OCTOBER 5, 2022
Springfield, MO

Have you ever wanted to do an escape room in a really neat building?! Now is your chance...we will be splitting our group into groups of around 10 (1 experienced escort will be with each group) to find clues to puzzles and riddles to make our escape! After our escape, we will enjoy lunch followed by a tour of the castle. The Knights of Pythias, a fraternal organization, originally constructed the castle and detached power plant as a retirement home for needy members of the order and their widows and children in 1913. The main building was designed to give the structure the appearance of a castle, which reflected the theme of the Knights of Pythias. Its foundation and exterior is constructed of “Carthage Stone”, an especially hard variety of limestone commonly quarried in the Ozarks. Join us for a tour to learn the history of this interesting castle! **Details: Depart Joplin at 8:45 a.m.; pick up passengers in Carthage at 9:15 a.m. Approximate return time to Joplin is 4:00 p.m.**

Cost: \$94.00 per person
 Deadline to have payment to Lisa’s office is September 5, 2022.

GLOWILD - KANSAS CITY ZOO
TUESDAY OCTOBER 18, 2022

Have you heard of povitia (po-va-teet-sa)? Today we will learn the history of this Croatian delicious tradition — just call it “povi” for short! We will enjoy a few samples of this “pastry” following our tour. Then on to Fritz’s for dinner! FRITZ’S hamburgers always “cooked to order,” just like they were in 1954. We will place our order on the phone and wait for it to be delivered to our tables by train! Next on to the main attraction! The Kansas City Zoo is bringing a completely unique experience to the Greater Kansas City area – GloWild, an immersive and breathtaking nighttime event. GloWild is a lantern festival like no other, featuring massive handmade steel and silk works of art depicting animals, local landmarks, botanicals, and Asian cultural creations. GloWild will be the largest event of its kind in the Midwest! The festival is along a one-mile route and takes about an hour and a half to two hours to walk through.
